BOARD OF FRANKLIN COUNTY COMMISSIONERS

Meeting Location: Franklin County Annex Building Commission Chambers

Chair Howard called the Budget Hearing to order at 6:00p.m.

Roll call: Chair Howard present, Vice Chair Randall Renoud present, Commissioner Colton M. Waymire present, Commissioner Steven W. Harris present, Commissioner Roy C. Dunn present.

Jon Holmes, County Administrator, made a presentation on the proposed 2017 Franklin County Budget.

Public Comment:

Gene Hirt- 107 Jefferson St, Pomona- discussed concerns with the cost of the new industrial park. He wanted to know what costs were budgeted for the industrial park and if any departments are budgeting to purchase drones in this budget.

The Commissioners said there is no work scheduled at the industrial park ground yet. The County has passed a resolution to sell bonds to pay for the work at the industrial park when the work moves forward. They also said that they didn't know if any departments plan to purchase a drone in this budget year, but if they had a need and had room in their budget, the Commissioners would consider it.

Commissioner Renoud moved and Commissioner Waymire seconded to approve Resolution 16-14 expressing the taxation policy for Franklin County and authorizing the tax levy increase for the 2017 Franklin County Budget. All voted "yes".

Commissioner Waymire moved and Commissioner Renoud seconded to approve Resolution 16-15 to make appropriations and authorize the expenditures for the 2017 Franklin County Budget. All voted "yes".

Commissioner Waymire moved and Commissioner Renoud seconded to adjourn the budget meeting at 7:11p.m. All voted "yes".
