BOARD OF FRANKLIN COUNTY COMMISSIONERS

Meeting Location: Franklin County Annex Building Commission Chambers

Chair Waymire called the study session to order at 9:06a.m.

All Commissioners present.

Nick Robbins, EMS Chief, discussed increasing the EMS Department paramedic pay by \$1 per hour and reducing the AEMT rate of pay by \$1 per hour. These two changes should offset each other in the long run. In the short term, there will be an increase in the salaries line in the EMS budget. The EMS budget has additional funds from CARES Act reimbursements that could cover these additional salaries in the first year. This move will make Franklin County more competitive with neighboring counties and help us retain staff.

The meeting was adjourned at 9:24a.m.
