BOARD OF FRANKLIN COUNTY COMMISSIONERS

Meeting Location: Franklin County Annex Building Commission Chambers

Chair Howard called the study session to order at 8:30a.m.

All Commissioners present except Commissioner Waymire.

Brandon Jones, Franklin County Attorney provided an update to the Commissioners regarding the office since he took office in November. All three attorneys in the office when Steve Hunting was County Attorney left at the end of his tenure. The office has three new staff attorneys. His office is budgeted for an additional attorney, but he does not plan to fill that position. The office plans to reclassify the receptionist position to a Legal II position.

Jones said that the office filed 414 cases in 2018. They filed 70 cases in January alone in 2019. The increase in cases filed in January indicates they will file more cases in 2019 than in 2018. He plans to hire unpaid interns. He said 2-3 interns seems like it would work in the office.

David Lee, Public Works Director, updated the Commission on the Chip and Seal Project and the Striping Project. He has spoken with at least six vendors for each project, so the turnout for bids should be good.

The meeting was adjourned at 9:14a.m.
