B. Progress on Process Outcome(s)	
Process Outcome Statement:	Youth assigned to Truancy Court shall attend 90% of their scheduled hearings before the Magistrate Judge in FY2018 (attendance is defined as the youth and one (1) parent/guardian being present for the hearing).
Process Outcome Baseline:	During FY16, Truancy Court youth have been scheduled to attend 64 individual court hearings. Of those 64, youth and a parent/guardian have attended 62, with 2 of the absences being excused. therefore, the attendance rate is 60 of 62 or 97% (excused absences not included). Considering the fact that this percentage is extremely high and allows for very little room for failure, the goal is to maintain an attendance rate of at least 90% during FY18.
